

## PCA's Charitable Cheerleading Competition

Sin City Classic 2024

### FUNDRAISING PARAMETERS

At PCA's Charitable Cheerleading Competitions... it's FUNDRAISING FIRST!

**The PCA SCC 2024 Fundraising Score is unlike GGDJL 2023, but just like SCC 2023:**

- \* EACH COMPETITION ENTRY GROUP USES ONE BUCKET FOR THE WHOLE GROUP
- \* YOU HAVE A BLOCK OF TIME ON THE DAY OF THE COMPETITION
- \* YOUR GROUP MUST BUCKET OUTSIDE ON THE STRIP ON PUBLIC PROPERTY
- \* ELECTRONIC DONATIONS DO NOT COUNT TOWARD YOUR FUNDRAISING SCORE
- \* EARN UP TO 10 POINTS ON YOUR SCORESHEET FOR THE RANKING OF YOUR BUCKET

**\* EACH COMPETITION ENTRY GROUP USES ONE BUCKET FOR THE WHOLE GROUP**

- Each Group Stunt group gets one bucket; each Partner Stunt group gets one bucket; Each Pom group gets one bucket
- The Group must stay together and bucket as one group; do not disperse
- Stunt (Group and Partner) groups are encouraged to bring spotters. We love 4-corner spotting! A maximum of 9 people (including the competitors) can be a part of any one group at any one time.
- The maximum of 9 also applies to Pom groups. Pom groups can vary in size (min. of 4 people, but no max.). In fairness to smaller groups, we are capping it at 9 for the fundraising on the Strip portion.
- Your bucket must be labeled with Official PCA Bucket Sign (provided in advance by PCA) which includes language about PCA's legal permission to solicit donations. Bucket color/size does not matter. You may borrow from PCA.
- Get your empty Bucket approved ("Check-in"), and return it filled ("Check-out"), at the judges table

**\* YOU HAVE A BLOCK OF TIME ON THE DAY OF THE COMPETITION**

- Partner Stunt groups have 30 min (9:30 to 10). Pom groups will have 60 min (10 to 11). Group stunts will have 60 min (11 to 12). Because we allow crossover competitors, the timeslots cannot overlap.
- You don't have to use the whole time; you may Check-in late / Check-out early.

**\* YOUR GROUP MUST BUCKET OUTSIDE ON THE STRIP ON PUBLIC PROPERTY**

- Public property includes "The Strip" (S. Las Vegas Blvd, from Sahara Rd to Russell Ave) and other public streets surrounding the hotel
- The LINQ Promenade (foot traffic area) is Private property - you may not bucket there
- You may NOT bucket inside the Flamingo Hotel or on its property or on the private property of any hotel, casino, business, residence
- You may bring attention-getters like signs and legal music (player no louder/larger than your phone)
